Can you work with Bella to set up this call with the tribe? Thank you.

Thanks, Angela. It does seem to make sense that we do a call somewhat earlier so that we can potentially still follow-up in person on Nov. 20.

Hi Dan,
BJ called Kathleen in response to her calls to Brian Crossley. He confirmed that he and Brian would be the tribe's attendees at the meeting. BJ prefers to have a conference call on Nov 7 or anytime between Nov 12-15. Kathleen relayed our preference for an in-person meeting. While he's somewhat open to it, he doesn't think it's necessary. If you want to proceed with an in-person and keep it linked to the Nov 20 task force meeting, I suggest we also do a call earlier. Let us know how you want to proceed.

Kathleen – please correct if I got something wrong. Thanks.
